

Did you know smell is the most powerful sense?	Close up of nose with scent trails going up the nose
Script	Visual
A unique scent can make you unforgettable,	A girl in her bed with a thought bubble, in the thought bubble is a man looking confident
but it doesn't mean you gotta drop \$500 on one cologne.	an expensive perfume (like creed aventus) sitting on top of a pile of cash

*

That's how that one bro, who looks mid, somehow gets all the girl's attention in restaurants, on the street, and even in groceries.

They smell his presence.

But perfume houses charge you over \$350 for alcohol sprays that cost \$10 to make.

Penrose took the exact same scent molecules in expensive perfumes, like Baccarat 540, and mixed them with premium body lotion.

Preserving the same scent as the original and making it last WAY longer while hydrating your skin.

If you want it simple, get Penrose and smell irresistible for a fraction of the price with their 30-day guarantee.
